 All Others Concerned

1. All Teaching, Teaching-related and Non-Teaching Employees are encouraged to enroll in GSIS Touch.
2. GSIS Touch is the official mobile application of the GSIS. It provides various services that can be accessed by Ginhawa Active and Grand members. The mobile application provides the convenience and ease by eliminating visits to the branches as it brings together eGSISMO, GTAP, and APIR all in one app.
3. Through the enhanced GSIS Touch, active members may now generate tentative computations of their loan and claim benefits, as well as submit their loan and claim applications. They may also view their membership and insurance policy records; keep track of their premium remittances and loan payments; and check their dividends, among others.
4. Immediate dissemination and compliance of this memorandum are desired.
