Calbayog City

Sir,

“May the blessing of the Lord be with you and your love ones”.

The Punla Ko, Kinabukasan Mo Foundation Inc., from the City of San Jose Del Monte Bulacan would like to ask permission from your good office to allow us to conduct free lecture demonstration to students in your schools, regarding the use and benefits of sunflower plants, not only on its aesthetic value, but also, it's medicinal and economic benefits as well. We would also discuss about the importance of the Gulayan sa Paaralan Program and encourage the students to support and take part on the Climate Change Movement. The lecture would take about 3-5 minutes and preferably will be distributing sunflower seeds and other vegetables seeds to the schools and to the students. We are hoping for a favorable response to this request and we hope that through these voluntary efforts, we could help save our Mother Earth against Climate Change.

“Thank you and God bless”

Truly Yours,
