Advisory No. 020 s. 2025  
September 9, 2025

**SALAMIN NG BUHAY, PATUNGO SA MALINAW NA KINABUKASAN**

1. The Eyemission Optical Clinic is a group of private and licensed optometrists and social civic volunteers who are committed to provide the most convenient, affordable and quality eye care services to all Filipinos. They are launching a very helpful program called "SALAMIN NG BUHAY, PATUNGO SA MALINAW NA KINABUKASAN".
2. The objective of the program is to give free, affordable and quality medical/eye care services within the community or to any other persons, especially those who are less-fortunate who want to avail but cannot afford the medical fees, especially students, office staffs/personnel, senior citizens and other indigents because of their financial constraint.
3. They provide the following services:
  - a. Free Onsite Lecture and information regarding common eye care
  - b. Free clear instructions with regards to proper eye care
  - c. Free screening of cataract, glaucoma and pterygium
  - d. Referral on surgery/operation
  - e. Free refractions
4. The team will be responsible for the logistics which can be considered as part of the agency's health program benefits.
5. The accommodation of their services within the schools should be managed at the level of the School Heads, in accordance with their AuRA (Authority, Responsibility, and Accountability), ensuring that there will be no disruption of classes.
6. Immediate dissemination of this Advisory is desired.
