DepEd Calbayog City Division

Dear Dr., Cadayona,

Greetings!

In connection with the communication received from the Provincial Disaster Risk Reduction and Management Office (PDRRMO) dated July 7, 2025, regarding the conduct of the Provincial Orientation on Earthquake and Fire Drill for Selected Schools with High Rise Buildings in DepEd in the Province of Samar on August 19–20, 2025, we respectfully seek your approval to utilize Dagum Elementary School as the Simulation Area on August 20, 2025 (Day 2) of the said activity.

The simulation will serve as the culminating activity of the orientation and aims to reinforce the knowledge and skills of the participants in actual emergency response scenarios, specifically in managing earthquake and fire incidents. The chosen school meets the necessary parameters for this purpose and will provide a practical venue for effective drills.

We assure you that all safety protocols and guidelines will be strictly observed throughout the conduct of the simulation. Coordination with the school administration of Dagum Elementary School will also be undertaken to ensure smooth implementation and minimal disruption to regular school activities.

Hoping for your kind approval and support.

Thank you very much.

SANDROC. DAGUMAN, DMD
