Vocation Director  
Minister of the Infirm (Camillians) - Philippine Province

Dear Rev. Fr. Masip:

Greetings of Peace!

This Office acknowledges with appreciation your letter expressing the intent of the Minister of the Infirm (Camillians) to conduct a Vocation Campaign in our schools. We recognize your noble mission of serving the poor and the sick. We are deeply grateful for your continued efforts to help our youth discover and nurture their vocation in life, whether as priests or religious brothers serving the Church and society.

After careful consideration, we wish to inform you that this Office has no objection to your request to hold the Vocation Campaign in our schools, provided that such activities are carried out in coordination with the respective school heads and teachers, and that they do not disrupt the conduct of regular classes and scheduled academic activities.

To facilitate the coordination of Vocation Campaign, we recommend that you directly communicate with the School Heads, who have the Authority, Responsibility, and Accountability (AuRA) in managing all school affairs in accordance with national educational policies, plans, and standards.

We believe that encounters such as this can serve as valuable opportunities for our learners to be inspired, to reflect on their life's calling, and to deepen their understanding of their faith. With proper guidance and support, these experiences can help them realize the "mission and vocation" within themselves and nurture it as they grow in knowledge, values, and service.

We thank you for your initiative and your dedication to the youth. Rest assured of our cooperation and support as you continue your mission. May the Lord continue to bless your congregation and the important work that you do for the Church and the community.

Very truly yours,
