MEMORANDUM

PAS-OD-2025-029

FOR : **REGIONAL INFORMATION OFFICERS**
DIVISION INFORMATION OFFICERS

FROM : **JAN KEVIN M. RIVERA**
Director IV
Public Affairs Service

SUBJECT : **INFOGRAPHIC POSTERS FOR SCHOOL PRINTING**

DATE : October 3, 2025

As part of our ongoing efforts to align and support effective communication on our important programs, the Public Affairs Service (PAS) **requests that all our information officers ensure the prompt dissemination of infographic posters provided by PAS to all schools** within their respective regions and divisions.

With this dissemination, we hope that our schools will **receive copies of the official infographic posters and be able to print the materials** in sufficient quantities for display in prominent school locations or on bulletin boards. We have ensured that this can be printed using standard-issued printers present in our schools.

For this batch, PAS has created infographic posters for **dengue prevention, leptospirosis prevention, and the unified emergency hotline** (attached as a separate PDF in this email). Please keep in mind that we will be sending materials such as this from time to time, when the need for public information arises.

Your cooperation is essential to ensuring that important information reaches all students and staff in a timely manner.

For queries and other concerns, you may contact **Ms. Cleo May M. Dela Cruz**, Creative Media Unit Head, through email (cleo.delacruz@deped.gov.ph).

Thank you for your continued support.

PAANO MAKAIWAS SA LEPTOSPIROSIS?

Sa panahon ng tag-ulan, **iwasan ang Leptospirosis**.
Sundin ang mga sumusunod na gabay:

Huwag maglaro at iwasang lumusong sa baha.

Gumamit ng bota at gloves kung hindi makaiwas sa maduming tubig.

Maghugas ng katawan gamit ang malinis na tubig at sabon kung mababad sa baha.

Agad kumonsulta sa doktor kung lumusong sa baha nang may sugat o kung nakararanas ng sintomas tulad ng lagnat at pananakit ng katawan.
