Sir:

Greetings!

The Local Government of Calbayog City, led by our dynamic City Mayor, Hon. Raymund C. Uy, envisions opening a local city college for the Calbayognons next year. With this, the LGU has commissioned researchers from Northwest Samar State University to conduct a feasibility study for establishing a local city college.

In view of this, on behalf of the commissioned Research Team, I would like to request your approval to administer the research instruments for the said feasibility study to the chosen schools from the Schools Division of Calbayog City. Moreover, I also humbly ask that the schools support us in ensuring that the students answer the research instruments, and the school heads of these schools assist us in retrieving the said instruments.

On the other hand, certain data from the Schools Division of Calbayog City is essential for the Feasibility Study. In this regard, on behalf of our team, I would like to request the following necessary data as we begin our data gathering for the Feasibility Study of Opening a Local City College for Calbayog City:

- List of Schools offering Senior High School; and
- List of Students per track/strand from Schools that offer Senior High School.

Should you have other concerns, please do not hesitate to contact me at 0967 544 2134.

Thank you and have a good day!

Sincerely,

**JONAH L. SALCEDO**

Team Leader
