SECRETARY JUAN EDGARDO "SONNY" ANGARA

Department of Education (DepEd)
DepEd Complex, Meralco Avenue, Pasig City

Dear **Secretary Angara**:

Greetings!

This pertains to the request of the DepEd for the approval of the **reclassification** of positions of the *on-stream candidates*, i.e., Head Teacher I/SG-14 and Head Teacher II/SG-15, and the *Teachers-in-Charge (TICs)*, i.e., those holding Teacher I/SG-11 to Teacher III/SG-13 items who are currently managing schools by virtue of designation, to School Principal items **during the three-year transition period**, as provided under Section 19 of the Implementing Rules and Regulations (IRR) of **Executive Order (EO) No. 174, s. 2022**¹, to address the identified shortage of school principal items in the country.

In line with this, the DepEd is also requesting that the reclassification of the teaching positions of said on-stream candidates and the TICs will be part of the list of instances under **Department of Budget and Management (DBM) Budget Circular (BC) No. 2018-3**² where reclassification based on the qualifications of incumbents is being allowed.

In view of this, the reclassification of said positions pursuant to the implementation of the Expanded Career Progression (ECP) System under EO No. 174, s. 2022 and its IRR, and DBM-DepEd Joint Circular (JC) No. 01, 2025³ will not be covered by the prohibition under Item 4.5 of the DBM BC No. 2018-3, which provides that the reclassification may involve an upward or downward change in the classification of a position, but not to exceed one (1) position level.

Moreover, with said proposed action, the DepEd noted that the same will now be reconciled/harmonized with the Civil Service Commission's 2025 Omnibus Rules on Appointments and Other Human Resources Actions (ORAOHRA), which provides the *exemption* of the "reclassification of positions" on the three (3) salary grade (SG) limitation.

¹ Establishing the Expanded Career Progression System for Public School Teachers (June 23, 2022)

² Guidelines on the Reclassification of Positions (July 30, 2018)

³ Modified Position Classification and Compensation Scheme, and System of Career Progression of Teachers and School Heads in Public Elementary and Secondary Schools (February 19, 2025)

The DepEd averred that said proposals are aligned with the recommendations of the Second Congressional Commission on Education (EDCOM II) for a structured succession plan to prepare interim school leaders for permanent appointments as school principals.

Said request is also vital in recognition of the critical and expanded roles of the on-stream candidates and the TICs in ensuring the continuity of school operations and instructional leadership, particularly in the absence of school principals.

Per the DepEd, the subject request would initially covered **1,513** qualified Head Teachers, **270** qualified Assistant School Principals, and **693** qualified TICs whose positions could be requested for reclassification, as part of the implementation of EO No. 174 (*Annex A*).

This accounts for a total of **2,476** applications for reclassification to School Principal positions under the ECP System.

However, the DepEd later represented that only **914** of said 2,476 applications for reclassification to School Principal positions were returned without action by the DBM Regional Offices (ROs) to their counterpart DepEd ROs due to issues related to the prescribed three (3) SG limitation or the so-called *quantum leap*.

At a glance, majority (78.9%) of the 914 applications will entail the reclassification of Teacher III and Head Teacher I to III items (SGs 13 to 16) to Principal positions, as shown below:

Position Title/SG	No. of Applications	%
Head Teacher I, SG-14	239	26.15%
Head Teacher III, SG-16	214	23.41%
Teacher III, SG-13	167	18.27%
Head Teacher II, SG-15	102	11.16%
Master Teacher I, SG-18	89	9.74%
Assistant School Principal II, SG-19	35	3.83%
Master Teacher II, SG-19	35	3.83%
Head Teacher IV, SG-17	7	0.77%
Teacher II, SG-12	7	0.77%
Head Teacher V, SG-18	6	0.66%
Teacher I, SG-11	5	0.55%
Head Teacher VI, SG-19	4	0.44%
Assistant School Principal I, SG-18	1	0.11%
Special Education Teacher I, SG-14	2	0.22%
Master Teacher III, SG-20	1	0.11%
Total	914	100.00%

Please note that the **DBM BC No. 2018-3** provides the *prevailing* guidelines on the reclassification of positions. As defined under **Item 4.1** of said BC, reclassification constitutes a staffing modification or position classification action which is applied *only when there is warranted substantial change in the regular duties of the incumbent of the position.*

It is imperative to highlight that the reclassification of positions shall be ***subject to the approval of the DBM.***

Said BC also stipulates that to preserve meritocracy and fitness in the civil service, a position may be reclassified only if the present incumbent fully meets the qualification standards (QS) prescribed by the CSC for the position, as reclassified. The BC added that the reclassification shall not result in a distortion in the hierarchy and mix of positions in the staffing pattern nor in the organizational structure, not only within the unit where said position is deployed, but also among equivalent or parallel units in the agency.

As also provided under Item 4.2 of said BC, reclassification may be applied in the following cases,

- There are changes in the level/category of the government entity which will bear on the level of key positions (*Item 4.2.1*);
- There are changes in the quantitative and other factors used in determining the appropriate position and level in accordance with existing position classification standards (*Item 4.2.2*);
- The reclassification of a position is provided by law or Presidential authority (*Item 4.2.3*); or
- Other meritorious cases as may be determined by the DBM (*Item 4.2.4*).

Item 4.3 of DBM BC No. 2018-3 likewise provides the following as the only instances when reclassification is based on the qualification of the incumbent:

- Implementation of the Equivalent Record Forms (ERFs) of teachers pursuant to Section 14 of Presidential Decree No. 985, as implemented by DBM Circular Letter No. 84-4 dated May 30, 1984 and Budget Circular No. 2004-1 dated January 23, 2004; (*Item 4.3.1*)
- Implementation of the Master Teachers career path provided under Executive Order No. 500 dated March 21, 1978, as implemented by National Budget Circular (NBC) No. 303 dated April 10, 1979 and National Compensation Circular No. 24 dated May 20, 1983; (*Item 4.3.2*) and
- Implementation of NBC No. 461 dated June 1, 1998 for faculty members of SUCs, higher education institutions, and TESDA technical education institutions, and of NBC No. 308 dated May 28, 1979 in the case of faculty members of the University of the Philippines System and the Mindanao State University System. (*Item 4.3.3*)

May we also underscore that the abovementioned provisions (Item Nos. 4.3.1 and 4.3.2) of the BC form part of the old policies that guided the DepEd on the allocation and reclassification/conversion/retitling of teaching and school head positions prior

to the implementation of the ECP under EO No. 174, s. 2022.

As averred by the DepEd, provisions of DBM issuance should be updated in light of the newer policies, particularly with the issuance by the CSC of the 2025 ORAOHRA.

Particularly, said CSC issuance provides that the three (3) SG limitation shall apply only to promotion within the agency and the said prohibition shall not apply to the following human resource actions which involves the issuance of an appointment, to wit:

- Transfer incidental to promotion provided that the appointee was subjected to deep selection and the transfer is consistent with the agency's workforce planning;
- Reappointment involving promotion from non-career to career provided the appointee was subjected to deep selection;
- Reappointment from career to non-career position;
- Reemployment; and
- **Reclassification of position.**

Relative to this, may we highlight that consultation meetings among representatives of the DBM and DepEd were conducted to extensively discuss the subject request.

Consistent with EO No. 174 and its IRR, may we highlight that the DepEd-DBM JC No. 01, s. 2025 was issued and became effective on June 4, 2025.

Correspondingly, the reclassification, conversion, and retitling of teaching and school head positions shall now be governed by the provisions under the ECP System.

As such, human resource actions and staffing modifications provided under the old guidelines (*i.e. ERF Scheme*) shall no longer be used as basis for the purpose.

Per the DepEd study last year, 21,585 of the 45,199 public schools nationwide that are under the jurisdiction of said Department do not have school principals.

In order to sustain operations and ensure continuity of instructional leadership, these schools are currently being managed by a pool of Assistant School Principals, Head Teachers, and other teaching personnel serving in the capacity of TICs in the interim.

It was also noted that most of these incumbents have been serving as TICs for nearly four (4) years on average and have assumed the full responsibilities of school heads and effectively fulfilling the functions of school principals without the corresponding appointment or benefits.

Further, the DepEd noted that 2,494 of these TICs have already met the required CSC-approved QS and have already passed the assessment for school heads (e.g., National Qualifying Examination for School Heads, and Principal's Test).

Hence, said proposed interventions are aligned with its policy of pursuing a "one school, one school principal" deployment ratio in the DepEd-managed elementary and secondary schools.

In this regard and in view of the urgency of addressing the leadership gap in schools without school principals, it bears stressing that we recognize the need for the immediate action by the DBM on the pending applications for reclassification to Principal positions in the DepEd in line with the agreed directions to close the gap and attain the *one school, one principal* deployment ratio among all public schools nationwide.

We further acknowledge the adherence towards thorough and quality review of both the DepEd and DBM offices in the evaluation process of the submitted applications, while considering the balance on the prescribed parameters set by the law and respective issuances for the purpose.

As noted by the DepEd, the reclassification of positions of the on-stream candidates and the TICs will affirm their critical role in sustaining school operations and supports a structured, merit-based pathway for leadership development aligned with the Department's long-term succession planning goals.

The DepEd is also appealing for consideration on this matter as these incumbents are considered the most viable candidates for promotion to the School Principal positions in the Department and are among the most capable candidates for appointment in the school they are currently managing.

Given the foregoing circumstances and the authority of this Department on the matter, being the administrator of the Compensation and Position Classification System in the government, the reclassification of the teaching positions of the on-stream candidates and the TICs to the School Principal items under the DepEd during the three-year transition period, which would exceed one (1) position level, **is considered**, in line with EO No. 174, s. 2022 and its IRR and the DepEd-DBM JC No. 01, s. 2025.

Likewise, the reclassification of the teaching positions of the on-stream candidates and the TICs to the School Principal items, which is consistent with the existing rules under DBM BC No. 2018-3 (*e.g., Master Teacher I, SG-18 to School Principal I, SG-19, and Master Teacher II, SG-19 to School Principal I, SG-19*) **is considered**.

In view of this, the pursuit of said staffing actions in the DepEd during the three-year transition period will be an **exemption** from the existing pertinent provisions of DBM BC No. 2018-3.

With this, the reclassification of said teaching positions is now aligned with the relevant provisions of the CSC's 2025 ORAOHRA.

As coordinated with the Department's Bureau of Human Resource and Organizational Development, said on-stream candidates and TICs will meet the CSC-prescribed QS

for the School Principal positions, as reclassified, and other qualifications being required by the DepEd for the purpose.

Further, as agreed upon with the DepEd, its ROs will submit the applications and the requisite supporting documents for the reclassification of the teaching positions of the on-stream candidates and the TICs to the School Principal items to the DBM ROs concerned for evaluation and processing. Thereafter, the preparation and issuance of the corresponding Notice of Organization, Staffing and Compensation Action for the purpose shall be issued by the DBM ROs.

It is also understood that this approval is subject to the existing civil service, budgeting, accounting, and auditing rules and regulations.

Thank you very much!

Very truly yours,

ROLANDO U. TOLEDO
Acting Secretary
